I just finished working with an Academy Award winning female director. I am easy to work with, I am affable and rational, I take direction well, I am imaginative and cooperative, I don't pout or become hostile. I am from Atlanta, Georgia but moved to Los Angeles, California by way of forty-six other countries. Since moving to Los Angeles, I have joined Anthony Meindl's acting school in Hollywood and continue to grow daily. I have a "toolbox" of methods and practices that work for me and I draw on each.
